\*Application, Administration, Technology, and Specials fees

Upon acceptance into Washington for the coming school year, an Enrollment Fee of \$350 per student is charged. Of this, \$100 is due by May 31st (or upon acceptance if after May 31st) and the remaining balance of \$250 is due by July 31st. This amount is not covered by any scholarship.

For new students, only, Book Fees are paid in advance by the family and are due by July 31st. At the close of the year, the book fees may then be applied to next year or are refundable after the school's fiscal year ends and all amounts due to the school have been paid in full, whether by scholarship or the family: Incidentals which may affect the refundable amount would include things like damages & replacement costs, or unfulfilled volunteer hours.

Our tuition and fees also cover the costs of classroom supplies, teacher cash, & field trips. (Sometimes on field trips, students may be invited to bring money of their own for optional spending, such as a gift shop visit - each family is responsible for covering these optional expenses.)

WCCS does not offer multiple child discounts.

Families cover the cost of uniforms, snacks and lunches, a backpack, water bottle and lunch box, and any extra-curricular items such as athletics or club-related fees.
